PRELIMINARY AGENDA OBRA PROJECT final meeting

European Observatory for Long-Term Governance on
Radioactive Waste Management

16-17 September 2008
Aula Master, Building A3, Campus Nord
Technical University of Catalonia (UPC)
C/Jordi Girona, 1-3
BARCELONA

The objective of the meeting is to bring together an interested community on the governance of radioactive waste management. The outcomes of this project will be presented and discussed with the participants. A key aspect to be discussed is the application of the feasibility study to the implementation of a European Observatory for Long-term Governance on Radioactive Waste Management.
